2. Handicap will be based on 90% of the difference between the bowler's highest established 2008-2009 Northern Utah USBC Association yearbook average and 240. If no previous 2008-2009 average, current Northern Utah USBC Association average of 21 games or more as of February 03, 2010 shall be used. All others bowl scratch. Except that bowlers with previous Northern Utah USBC Association yearbook averages may apply for re-rated average based on the previous Northern Utah USBC Association yearbook average. Responsibility for application must be made one week before the entry deadline. When previous seasons' averages are used and at the time of entry an entrant has a current Northern Utah USBC Association season average of 21 or more games which is 10 or more pins above the previous season's average, current season's average must be used. If average conditions of USBC Playing Rule 319a cannot be met, bowler must bowl scratch.
