Qualify to Bowl in
Semi-Finals

For complete tournament rules, details and qualifications and any additional questions please see reverse side of this sheet.

Tournament Rules

1. This is a Scratch Tournament with 2 Qualifying Divisions.
2. Qualifying Divisions will be 200-above, and 199-under.
3. There will be 1 spot for every 5 entries in each division that will qualify for the finals.
4. There are 3 qualifying squads. They are 10am, 11:30am, 1pm.
5. Qualifying is not by squad, but qualifiers will be determined by highest posted score on the board after the 3 qualifying squads in each division.
6. There will not be any carry over pins into the finals.
7. Once in the finals both divisions will compete against each other.
8. Seeding in the finals will be determined by qualifying score. The top seed will bowl the last qualifying seed, and the second seed will bowl the next to last seed, and so forth. In the event of a tie score the tie breaker will be determined by highest game of the players involved.
9. This will be a 2 game head to head match. Winner determined by total score of both games added together. The loser of the match will be eliminated from the finals, but they will cash. In the event of a tie after the 2 game match a 9th and 10th frame roll off will be done to determine the winner.
10. This process will be used until we crown our tournament champion.
11. **Re-entries are allowed. See Front of Flyer for Details.**
12. Any rules not covered above will be governed by the USBC rulebook.

Bowlers will use their Highest book average from last year, or current Highest average for the present year, whatever is the Highest to determine what Division they will qualify in

This Tournament is Held at the Sparetime Syracuse location.
1806 South 2000 West Syracuse Utah
