Each participant will bowl 3 games. The league member's 3 game total will be used for each friend &/or family member registered to bowl with them, if they bring more than one.

2. **DIVISIONS:** This is a handicap tournament with an optional scratch division. Handicap will be based on 90% of 220. Average divisions will be based on the league bowler's current average as of Nov. 24, 2007. The non-bowler will be assigned an average according to their age. (The age divisions are: 5-9 years: 40 average; 10-12 years: 50 average; 13-16 years: 65 average; 17-18 years: 75 average; New adults 19 & over: 100 average; New seniors 70 & over: 100 average) The average divisions, combining both bowlers' averages, are as follows: 130 & under; 131-175; 176 & up.

3. **VERIFICATION:** It is each bowler's responsibility to verify the accuracy of their average on the day of the event. Failure to use proper average shall disqualify bowler if submitted average is lower than actual average, thereby resulting in a lower classification. Correction to averages must be made before the end of the first game.
